

Product code: TSV208 MF

# Ninja track steps

## Technical information

Safety area width	6 m
Safety area length	5.1 m
Width of structure	2.1 m
Length of structure	3 m
Height of structure	0.6 m
Max. fall height	0.6 m
Recommended age of children	6+

## Product consists of

Panels/Plates	5 pcs HDPE plastic
---------------	-----------------------

## Installation info

Installers	2
Installation time	5 h

The product is concreted into the ground.

Ninja track slanted steps are training elements that encourage dynamic movement and are designed to develop jumping power, balance, coordination and agility. The durable galvanized metal construction and anti-slip surface ensure safe use during both training sessions and active play. The set of jumping course consists of 5 jumping steps, made of HDPE plastic with a non-slip rubber coating.
